

MAEOE

Maryland Association for Environmental and Outdoor Education

27th Annual MAEOE Environmental Education Conference

Fulfilling Environmental Education's Promise:

Authentic Learning
and Real World Impact

February 9 -12, 2012

Clarion Resort Fontainebleau - Ocean City, Maryland

2012 MAEOE Challenge!

Make a Rube Goldberg Machine (Think Mouse Trap Game) using only recycled material.

No minimum size but not to exceed 3' x 3'.

It must have at least 7 trigger points and the end result should be to feed or water a plant or animal.

Have Fun with it and be creative!

Fire and explosives are prohibited.

Please email conference@maeoe.org to let us know you will be submitting an entry.
